

## WWCC RALLY RULES

1. Please remember a speed limit of 5mph is to apply at all times.
2. Please do not drive between caravans.
3. Please respect other ralliers and keep noise to a minimum after 11.30pm.
4. Please do not ride bikes between caravans.
5. Generators can only be used for a maximum of 4 hours between 10am to 6pm May to September and 10am to 8pm October to April and are NOT to be left unattended.
6. Please remind your children that flying of kites and playing ball games near caravans is not allowed.
7. Due to new legislation and possible issues with insurance, drones are not allowed on a rally without permission from CaMC Head Office.
8. Please keep dogs on a lead and remember to clean up any mess and dispose of it correctly.
9. Please remember pup tents can only be erected within your designated awning area.
10. Open fires are not allowed.
11. It is advisable for ralliers to have their own in-date first aid kit.
12. A full list of our rules can be found in our rally book and on our website.

Please adhere to these rules as they are in place for everybody's safety and enjoyment whilst out rallying.
