New Year at Felindre

Our Marshals were Mike & Barbara Small ably assisted for the first time by Ian & Karen Rapsey. The resident DJ was Jason Bartlett with special guests Jan, Rachel & Becky John with Ann Robinson for a special West Wales Version of "The Weakest Link". Theme nights included an "Indian Night, "Fancy Dress" and "Barbaras Ball". The weather was good for ducks and the field was like the Somme! With most vans having to get on and off the field with numerous helpers and 4x4s. However everyone mucked and had a great time, thanks to all who helped with the food and entertainment.

Tim & Hetty Jones pictured right with Ian Rapsey receiving a special award from friends at the New Years Rally. Tim is one of our oldest regular ralliers and has to travel from Newcastle Emlyn for every rally. Tim of course has been 21 at least 53 times yet will be running the rally at the Railway Inn, Nantgaredig in August. So get Your slips in, "don't delay do it today" ! We wish Tim and Hetty many more years of happy rallying.

Dunvant RFC is for lovers or at least Valentines

Run again by Mr.Luuuuuv Machine and Jayne Bevan the rally enjoyed clear skys ie. In February that means sunny days and Freezing nights, red gas is the order of the day on this popular rally. The club even put a rugby game on for us against CwmAfan its rummered that having had a problem with the bus, they hitched a lift down with Hookey! There was plenty of socialising after the game in the clubhouse, and Phil Lloyd did a late night sponsored walk around the pitch. On the Saturday after watching a very forgettable Welsh performance against Italy, we all congregated in the clubhouse, for a social evening. Enjoying an excellent meal and entertainment on the old joanna from Jools Holland or was it Gareth Jones. Appologies for the delay at flag Martin has promised to show me how to switch the electric earn on for next time!

"Just a Plug"

This BH rally has live entertainment and a number of events going on for the family during the days, "Take part" in family Bar Football. Please supprt your "Charity Rally" at Nantgaredig RFC 6-8th June. You can still run a stall just ask, anyone on the "committee" but theres lots going on. with live entertainment in the night.
