100TH RALLY PLAQUE

Congratulations to Chris, Phil & Ieuan Thomas on receiving their 100th rally plaque. They started rallying in March 1987 at Margam Park in the snow. Phil is a keen amateur photographer and is always creeping around the rally field looking for a special photograph. They have attended many Welsh Nationals where Ieuan has participated in the Sports and this year he hopes to be in the Tug of War. Chris is always willing to help especially at Christmas and New Years Rallies. She is a very good at organising people, she is also very understanding - has to be, to be married to Phil.
