First-time Marshals - Rally Report The Old Barn, Morriston 30th March - 1st April 2007

Friday - as the vans started to arrive, we were quite nervous with it being our first Rally to Marshall and the prospect of squashing 17 caravans into **The Old Barn** car park, 16 from the **West Wales Centre** and 1 from the South Wales Centre, but it all went well.

Saturday - a relaxing day for most, as some sneaky planning of **Mike Small's 60th Birthday Party** took place for Saturday night without Mike knowing.

Sunday was greeted with some sore heads I believe, but a good night was had by all. Flag came and went without problems (I think).

Altogether a great weekend, rather windy and with some 2 and 4 legged friends frequenting the Rally Field - with the Goat jumping the fence between the vans and the Geese chasing people as they went for water, etc. It was eventful to say the least.

Thanks to everyone for your support and help.

Adrian & Jan Whittle

Mike & Barbara Small after cutting the cake at Mike's 60th Birthday surprise party.

The Birthday Boy would like to thank all those who helped decorate the room, make the buffet, and helped him celebrate.

Congratulations to them both on the birth of a new grandson.
